

**February 2026**

## **School Uniform Guidelines**

### ***When does my child have to have the new uniform?***

2026 and 2027 are transition years. Children are able to wear either the “old uniform” or the “new uniform” during this time. **Children should not wear a mixture of old and new.**

The “new uniform” will be the only uniform from 2028.

### ***Which days does my child wear which uniform?***

Children should wear the regular uniform (new or old) everyday except when they have physical education classes, sports days, interschool sports or as directed by the class teacher. Class teachers can advise you on PE days and will communicate with you whenever your child needs to wear their sports uniform.

### ***What shoes can my child wear?***

When wearing the regular uniform, children can wear black school shoes or black runners. Runners worn on these days must be completely black. This is an example of an acceptable runner.

When wearing the sports uniform, children can wear runners - they do not need to be black.

### ***Where can I buy uniform items?***

Our uniform supplier is Noone -

<https://www.noone.com.au/school/queen-of-peace-catholic-primary-school/shop>

Noone supplies all items of uniform except our winter skirt. This is purchased from the school.

You can only purchase polo tops (short and long sleeve), sports polos, jumpers, jackets, summer dress, bags and hats through Noone.

You can purchase other items at Noone or at stores such as Big W, Target and Kmart. Be aware, however, that it is often difficult to get school uniform items at department stores as they usually order for the beginning of the school year only.

### ***Where can I purchase items from Noone?***

School uniform items from Noone can be purchased online -

<https://www.noone.com.au/school/queen-of-peace-catholic-primary-school/shop> or at their shop at 54 Old Geelong Road, Hoppers Crossing (near VicRoads)

Items ordered online can be picked up in store, delivered to your home (postage extra) or delivered to school (free delivery) for you to collect. At the moment, Noone's website does not offer the school delivery option. We will contact them to get that added. Deliveries to school will occur on Fridays only.

### ***What happens for the school photos?***

This year, school photos are on Tuesday 24 March. Ideally, we would love to see everyone in our new school maroon polo. However, as this is a transition year, we know that there will be some children in the "old uniform" and that that will be fine.

## Makeup, jewellery and hair

### Makeup (including nail polish and fake nails)

Makeup, including lip stick, is not to be used at school at any time. This includes nail polish and fake nails. Students with makeup on will be asked to wipe it off. Nail polish and/or fake nails will need to be removed at home prior to attending school.

### Jewellery

Jewellery, including necklaces, large earrings and rings, should not be on at school. Studs or sleepers are acceptable earrings. Students with jewellery, apart from sleepers or studs, will be asked to remove items and put safely into their bags.

### Hair

Hair must be neat.  
 Long hair must be tied back.
